DEFENDER® Tablets (3.3 g)	MDCT447443	500 Tablets
Sporicidal Transfer Label	TDTL480306	25 Labels
Sanitization Transfer Label	TDTL480100	25 Labels
Mixing Bottle	UWMB295904	1 Each
Mixing Jug	UGJC164045	1 Each

THE PROBLEM Peracetic Acid (PAA) and Bleach

- ✗ Sources of Non-Compliance & Legal Risk
- ✗ Damage eyes, skin, respiratory and nervous systems
- ✗ Many Dilution, Usage and Compatibility Limitations
- ✗ Corrode equipment and surfaces which can no longer be disinfected

One 13.1 g tablet or four 3.3 g tablets in one quart container of water creates cleaning and sporicidal power.
